

Relaxed Dress Code for Rollups

For all Club Friendlies, League Matches and Team Competitions our Dress Code is to continue as Club Kit which can also be used for Rollups

However we want to be flexible for Rollups so we are going to relax the dress code to 'smart casual' for a trial period but there have to be minimum standards so that the reputation of the Club is not damaged by members dressing inappropriately

Members are asked to exercise common sense with their interpretation of 'smart casual' - the minimum standard regarding 'smart' is clean, tidy, muted colours

Shirts must have a collar. No T Shirts or Football / Rugby Shirts

Trousers should be clean. No ripped or faded jeans. Shorts should be tailored or smart

Footwear should be Bowling or flat soled shoes

If everyone complies then hopefully this can be permanent. If you have any questions or want clarification then ask any member of the Committee
