~ We have now moved the bowls equipment (jacks, mats, scoreboards etc) into the bigger wooden shed (where the freezer is also stored). The 'old' bowls equipment shed will now store the gardening equipment

In addition we have also relocated the padlock keys for both sheds and they will now hang on the outside left wall of the other smaller shed so that members can access what they need without having to go through the clubhouse. This is to ensure that we won't disturb the Yoga sessions on Wednesday mornings which start again this week. Please avoid having to use the clubhouse on these mornings between 10.30 am and Noon
