### 15 August 2014

~ Good luck today to Carl Taylor and Chris Cranham who are at Leamington this afternoon in the first round of the Men's Senior Pairs. Update - after being 7 down with 7 to play they woke up and managed to win the remaining ends to get through by 15 shots to 13 and will play again late tomorrow morning in the Round of sixteen

### 14 August 2014

~ In the latest Aldershot and District League Tables now received it confirms that the A Team retained the Premier Division by the smallest possible margin of just half a point from Camberley A. The fate of the B Team now rests in the final rearranged match against Hook next Tuesday when any win will be enough for another season in the top league. Lose 2 - 3 and we might stay up on shot difference but anything worse and we will be relegated. In Division 2 the C Team is promoted in second place

~ The following Team has been selected for next week's rearranged Aldershot and District League match

### **B Team - Away to Hook on 19 August at 6.00 pm**

Alun Devonald, Mike French, John Guerin and Ian Taylor  
Terry Hart, Mike Allen, Eric Fry and Alan Shelley  
Ken Eichen (*Captain*), Malcolm Havord, Bobby Sharpe and Dave Tonks

### 13 August 2014

~ The confirmed final Stan Hardman League Table has been received and shows we won the Eastern Division for the second consecutive season and this time by a massive margin of 31.5 points over Farnborough. We will play again in the quarter final of the knockout stage on Thursday 21 August but the opposition is not yet known

### 12 August 2014

~ In the Aldershot and District League this evening the A Team crashed 1 - 4 at home to Aldershot Traction A by 44 shots to 65 in the Premier League and finish the season on 49.5 points. With Camberley A on 44.5 points before their final match it meant that if they were to win and collect all five points we would lose the title on shot difference. Their final game was at home to our B Team and the news was that the match finished 4.5 points to 0.5 and 72 shots to 44 in favour of Camberley so, if our calculations are correct, that means they will finish on 49 points. We will wait for the final League Table to confirm but looks like the A Team have won the Premier League for the fourth consecutive season - thanks B Team! The B Team's defeat at Camberley however means that they are not clear of the relegation battle and the rearranged match against Hook will still be vital but depends on how many points they won tonight

The other great news is that the C Team won 4 - 1 at home to Fleet Social by 66 shots to 49 which secures them promotion from Division 2. In a division made up mostly of other Club 'A' teams this is a fantastic achievement and well done to all

### 08 August 2014

~ Well done to our Farnham and District league team who did just enough this week to secure the Division Two title and promotion for next season

### 07 August 2014

~ In our final Stan Hardman League match of the season we visited Farnborough where we won comfortably by 68 shots to 26 and 7 - 0 on points to secure the eastern Division by a huge margin. This puts us through to the play off quarter finals which will be played on Thursday 21 August and, whilst not yet confirmed, is probably going to be against Alton Social

### 06 August 2014

~ The latest Aldershot and District League Tables have now been received and show that the A Team is now four points clear at the top of the Premier League with one game remaining. With a far superior shot difference over second placed Camberley A it means that we need just one point from next week's home match against Aldershot Traction to be Champions for the fourth consecutive year. The B Team is now in sixth place but still four and a half points clear of the relegation zone. The rearranged match against Hook could still be the decider. In Division 2 the C Team are now, as reported, three points ahead of third placed British Legion and with a superior shot difference. This means that just two points next week against bottom club Fleet Social should be enough to secure the promotion place but a win of any margin would make it a certainty

Sarah Bowen, Sue Sharpe and Allyson Flint  
Karen Cranham, Jan Allen and Frankie Brandon  
Sue Dickie (*Captain*), Marianne Brooks and Ann Guerin  
Reserves: Irene Galpin, Carl Eichen, Mary Fry and Bernice Nichols

~ In the Aldershot and District Premier League the clash between our A and B teams went the way of the A team but the 5 - 0 points score does not reflect how close two rinks were despite an overall 68 - 46 shot result. In Division 2 the C Team gave their promotion chances a boost with a 4 - 1 win by 56 shots to 51 score away at Pyestock A. We understand Farnborough A have beaten British Legion 3 - 2 so unconfirmed calculations mean the C Team will now be three points ahead of them with one game remaining
