12 August 2015

~ Last night saw the final matches in the Aldershot and District Men's League for this season. In Division 1 the C Team were at home to Fleet United A and for a while it looked like the new selection strategy might work but in the end we lost 1 - 4 on points and by 49 shots to 62. The B Team visited Camberley A and also lost 1 - 4 and 50 - 78 on shots

The better news was for the A Team who entertained Seale and Sands and ran out comfortable 5 - 0 winners with a good 94 shots to 39 margin. As most players are aware we are disputing the League Secretary's interpretation of the rules and his decision not to allow the rearrangement of the postponed A Team verses B Team match which meant that prior to last night's match we were still being shown as in second place and three points behind Old Dean. The unconfirmed news we have heard is that Old Dean were beaten 0 - 5 at Tongham which would mean we finish the season as Champions being level on points with Tongham but with a far better shot difference

11 August 2015

~ The updated Stan Hardman League Table has been received and shows that, despite last week's defeat, we are still in with a chance of the play offs but this will be dependant on a good win this Thursday in the rearranged match against Aldershot Underwood and also getting one point more than Hawley who are ahead of us in second place
