~ Not a good day for our two County Four Last Eights finalists at Banister Park today. In the Men's Championship it was a one shot defeat to King's Park for Terry Hart, John Stone, Chris Cranham and Jim Marsland in the quarter final and unfortunately Jan Allen, Karen Cranham, Donna Taylor and Sarah Bowen also lost their semi final in the afternoon to Milton Park. They do still have another opportunity to qualify for Leamington via the 3rd / 4th place playoff match which they will play at Banister Park on Monday 14 July where they will face Oakley

~ This year's Presentation Dinner and Dance is on Saturday 23 November at the Army Golf Club as usual which we hope will be well supported. A maximum number of 75 can attend so please add names and menu choices to the form on the main noticeboard

28 June 2019

They will play in the Last Eights at Atherley on Sunday 13 July. Both Pairs unite to play in the Last Eights of the County Fours this Sunday and were due to play a team from Pelhams but that quarter final has been conceded as Pelhams have two players unavailable due to injury. Our team therefore progress to the semi final and now just one win from a place at the National Championships

~ In the National Club Two Fours this evening at Alton our A Team won through by 46 shots to 32 to set up a fourth round away trip to Poole Park BC

~ The latest Farnham and District League Table has had to be revised due to an error in a result from another team and this has resulted in us falling to fourth place and now a half point behind Aldershot Traction

~ We have spotted this morning that there was a mistake on one of the scorecards in last night's A Team match in the Premier League. One of our rinks was recorded as losing by 20 shots to 27 but there was an addition error on the card and the correct score was 20 - 25 (Mike Allen needs to use more fingers to add up big numbers apparently!). This reduced margin actually means we now win the match rather than draw so the correct result is being amended and will now read a 63 shots to 61 win by 4 points to 1

~ The updated Aldershot and District League Tables, following last night's matches, show the A Team remaining in top spot of the Premier League but now with a reduced lead of 3.5 points over West End A.
