31 July 2019

~ This evening we played league leaders Bourne in the final game of the Farnham and District League and ran out 76 shots to 55 winners picking up all six points. This excellent result means that we win the Second Division and will be promoted - well done to all that played throughout the season

~ The updated Aldershot and District League tables have been received and confirm that our A Team has won the Premier League for the second consecutive season and are on 51 points and 6 ahead of Camberley A with one game left to play. Congratulations to all the players who took part throughout the season. The B Team will finish in sixth place as they are on 28.5 points and cannot move either up or down whatever happens next week. Unfortunately in Division 2 the C Team can also not improve from our current seventh place and will therefore be relegated to the 3rd Division next year

30 July 2019

~ Another mixed evening in the Men's Aldershot and District League with the A Team away at Mytchett A and in a close match they won by 59 shots to 55 with a 4 - 1 victory which means we retain the Premier League title. The C Team was also at home to Fleet Social in Division 2 and despite winning on two rinks lost overall by 43 shots to 56. The two points may not be enough to avoid relegation

That said we could also end up finishing fourth depending on the other results which include the 3rd and 4th placed teams also playing each other next Wednesday

~ All this afternoon's Stan Hardman matches have been cancelled due to the expected hot weather.
