~ This morning Leo May played in the quarter final of the Men's Finals of the 2 Wood Singles at Leamington and in an incredibly close match won through by 14 shots to 13 after an extra end. That put him through to the semi final which was also a very close game which came down to the last wood where Leo needed to kill the end but agonisingly ditched the jack and lost by 13 shots to 14. Gutting to lose so narrowly but an amazing achievement to come so close
