~ The final Aldershot and District League Tables have been received and confirm that in the Premier Division the A Team finish 2nd on 39.5 points. Considering our start to the season, losing the first four games and picking up just 2 points, this is a very good outcome. In Division 1 the B Team has, as we knew, unfortunately been relegated but with last evening's good win at Odiham we did at least avoid the wooden spoon as we finished in 7th place. In Division 3 the C Team looked well placed to be promoted but a run of no wins in July saw us drop to our final position of third, just missing out on promotion by 2 points. Thank you to everyone who supported the club and played this season

That will put us on 35.5 points and in third place in the league table with just one match remaining tomorrow evening away at second placed Farnborough B who are on 36 points. The top team, Mytchett B, have 37.5 points and have played all their games but have a better shot difference than us so to gain promotion we will need 2.5 points in the final match

~ Last evening's final Farnham and District League match against Odiham and North Warnborough ended in a one shot overall loss by 71 shots to 72 and by 2 points to 4. That leaves us finishing the season in last place in the updated league table

~ The updated Aldershot and District League table shows that the A Team has risen to second place in the Premier League on 35.5 points and just a half point ahead of Aldershot Traction, next week's opponents. In Division 1 the B Team is already relegated but a good win next week in the final match of the season could see them overtake next week's opponents Odiham and North Warnborough. The C Team's recent run of losses in Division 3 has now seen them drop to third place but with a game in hand which is being played next Monday evening. A good win would put them back in contention for promotion in the final match the following evening which is away to Farnborough B who are currently in second place and 4.5 points ahead
