~ This evening our Men's County Club Championship side faced Basingstoke Town in the Area Final at Farnborough. Both sides were winning on two rinks each throughout the match but we trailed by around 12 - 15 shots until we fought back over the last few ends and the match went to an extra end which was played in almost total darkness. Our rink had their best end of the evening and we won through to the County Semi final when we will face Boscombe Cliff on Sunday Morning at Banister Park

~ The confirmed final League Tables for the Aldershot and District have been received

As we knew, our A Team are Premier Division Champions, finishing on 56 points and winning by a margin of five points, and 159 shots, over Old Dean. A great season with 13 wins from the 14 matches

The B Team finished the season with 3 consecutive wins and ended on 38 points from 7 wins and 7 losses. We finished in third place but some way behind the top two

In Division 3 the C Team had an excellent run by winning their last 5 matches and end the season on 43.5 points. The agonising news is that second placed Farnborough Gate lost 0 - 5 last night and pip us by just half a point. If we had won that third rink last evening we would have been promoted but a great season nonetheless

In the Premier Division the A Team defeated Camberley at home on all rinks and by a combined score of 75 shots to 45 so we will definitely be confirmed as champions. In Division 2 the B Team visited Aldershot Underwood and also returned with all 5 points in a 63 shots to 42 victory. The C Team was at home in Division 3 and played Yateley C. They didn't quite complete the perfect evening but still won by 60 shots to 48 and 4 points to 1
