~ We had three players - Sue Dyson, Jim Marsland and Carl Taylor in the Bowls Hampshire Inter County Mixed Over 60 team today at Leamington. In the semi final this morning Hampshire faced Worcestershire and in a very close match it came down to the last three rinks playing their last end with the overall score level. Two rinks both picked up two shots and with the other rink lying 3 down and with last wood to play they shook hands and Hampshire won though to the final by one shot. In the final the opposition was Northamptonshire and it was another close match but one rink lost heavily (not including any of our players!) and that led to a six shot overall defeat which was disappointing but still a fantastic achievement for our Sue, Jim and Carl to reach a National final
